Dear Patient,

We are delighted to welcome you to our practice and are pleased that you've chosen us to serve your dental needs. We are serious about providing superior dental care and proud of our dedication to our patients. Our goal is to help you feel and look you're very best through excellent dental care.

Your first appointment will take approximately one hour. Please notify our office if you have any heart conditions or recent joint replacements, as these require antibiotics prior to any dental treatment. To facilitate being seen just as soon as possible at the time of your appointment, we would appreciate it if you would complete the enclosed Patient Information Form before your arrival. Please remember to bring it with you at the time of your appointment along with any Dental Insurance cards that might apply to you or your family so we can then include this information with your records.

Dr. Chen is offering to our new patients our take home whitening tray system at $150.00 a $300.00 value, and our in office POWER whitening system at $199.00, a $400.00 value. **This discounted rate is only available on your first visit to our office**. If you are interested in taking advantage of our whitening procedure, please let us know when you come in.

If you are unable to make the appointment you have scheduled with us, please notify us at least 24 hours in advance. We would be glad to reschedule the appointment at a more convenient time, if necessary. Driving directions and important forms can be found on our office website at www.chensmiles.com. In the meantime, we look forward to meeting you and serving your needs.

Thanks again for choosing our dental practice.

Sincerely,

Ginnie I. Chen DDS and Staff

ABOUT YOUR INSURANCE BENEFITS

Benefit coverage is a contract between yourself, the insurance company and your employer, ***not the dentist.***

Dental benefits do not cover 100% of your dentistry,

We encourage our patients to know their plan, in order to eliminate Disappointments with payment and reimbursement.

In order to keep our procedure fees reasonable and provide the highest quality dental work, our office asks our patients to be responsible for all laboratory fees associated with your treatment.

Often insurance companies are sending back approvals with request for cheaper, alternative treatment plans. Our office is happy to discuss any alternatives and choices with our treatment plan prior to treatment.

Insurance benefits are estimates and there is no guarantee of payment until they receive a claim. If your insurance company pays less than expected, you as the patient are responsible for any differences they do not cover. ***Balances after 60 days become the patient's responsibility and are due in full.***

It is your responsibility to make sure your insurance is active. If at the time of service you are not eligible in our office you will be responsible for the full usual and customary fees.

Broken appointments without 24hours notice will carry a $30.00 charge. Three broken appointments without 24 hrs. Notice will force us to ask you to leave our practice.

I have read and understand my responsibility for my dental Insurance benefits.
